What Is A Town?

A town is a group of people.

- It is a school.
- It is a city government.
- It is churches.
- It is industry and jobs.
- It is retail businesses.

They all have to work together. All must have the support of the people or there is no town.

Give your local merchant a chance for your business and the first opportunity to make the sale. The local retailer pays the highest percentage of local taxes. They are the ones contacted first for contributions to charitable projects.

They provide jobs.

Without their store you have no town.
