COOPER WEATHER-MASTER ST2
Tri-Polymer Blend Tread Compound
 Specially formulated for excellent winter traction while maintaining wet and dry performance and treadwear.

Enhanced Studded Performance
 A new stud pin hole design improves stud retention and the number has been increased allowing for the use of a greater number of studs for better traction on ice. The stud size is conveniently molded into the sidewall for easy reference.

Computer-Optimized Random Pitch Sequence
 The tread pitch sequence has been computer-optimized to reduce tread related tire noise for increased riding comfort.

M&S Rated
 Meets RMA severe snow definition.

HARMAN BUILT TO A STANDARD. NOT A PRICE.

www.windsorpress.com

Berks County Farm Bureau

LOOKING FOR NEW MEMBERS!

What We've DONE

- Secured passage of a new law eliminating state inheritance taxes for farms and small businesses.
- Eliminated realty transfer tax for farms changing business structures.
- Convinced state lawmakers to update farm vehicle laws allowing today's larger, modern equipment to legally travel on roads and eliminated CDL requirements for farm licensed and farm stickered trucks.
- Preserved the right of farm youth to work on farms.
- Played major role in drafting and enacting the state's Right to Farm and Clean & Green laws.
- Led efforts on the landmark law protecting farm families from local ordinances that violate the Right to Farm.
- Achieved permanent exemption from federal estate tax on most Pennsylvania farms.
- Educated more than 770,000 suburban and urban students about modern agriculture through our Mobile Agriculture Education Science Labs.
- Sustained responsible deer management measures and enhanced wildlife damage mitigation programs.
- Achieved passage of laws protecting farm and forest landowners from legal liability and prosecution when hunters, on the landowners property with permission, violate the law.
- Accomplished meaningful tort reform eliminating "joint and several liability" and replacing it with liability based on the proportionate share of the plaintiff's injury for which the defendant was found to be responsible.
- Worked to prevent High Tunnels from being subject to real estate taxes and state building code.
- Passed new law to require the owner of sub-surface rights to notify county recording office of termination or satisfaction of a gas lease within 30 days.
- Won exemptions for farmers from sales tax and liquid fuels taxes when purchasing for agricultural production.
- Accomplished meaningful reform limiting civil liability for equine facilities & farms in general.
- Eliminated inheritance tax for working farms & family businesses
- Championed efforts to make equine farm property eligible for Farmland Preservation.
- Blocked attempted efforts to expand hunting on Sunday

What We're DOING

- Fighting EPA's attempts to grow their ability to regulate mostly dry land features (like waterways, ditches and swales) on farm fields as if it were a federal waterway.
- Seeking ways to reduce or eliminate farm and forest land property taxes.
- Working to ensure that farmers can legally employ the hired hands they need, now and in the future.
- Monitoring regulatory proposals and working to prevent excessive environmental regulations.
- Carefully examining proposed food safety regulations and providing feedback to federal agencies on how some new requirements impact growers.
- Testifying before PA Milk Marketing Board hearings to sustain sufficient premium milk pricing for dairy farmers across the state.
- Convincing state lawmakers to set uniform, common-sense standards for agritourism & agritainment ventures.
- Striving to preserve agricultural education funding and FFA programs through local outreach.
- Supporting public pension reforms to avoid significant property tax increases, while ensuring existing state employees and retirees receive guaranteed benefits.
- Advocating for state budgets that support Penn State Cooperative Extension, agricultural research, and other areas critical to agriculture.
- Negotiating mechanisms for local equipment dealers to remain competitive by selling additional lines of equipment.
- Pursuing legal action in federal court - with American Farm Bureau and others - challenging the legality of EPA's attempt to federally regulate local farms, businesses and communities.
- Representing Pennsylvania farmers on more than 35 advisory boards, committees and working groups.
- Working to require local governments to treat equine facilities as agriculture.
- Seeking sales tax exemptions for equine operations purchasing farm supplies.
- Ensuring state funding vital for horse health continues.
- Leading efforts to reduce or eliminate property tax burden.
- Protecting humane options for retired horses.

READER'S Recipe

Beef & Noodle Casserole

- 1 lb. lean ground beef
- 1 can (8 oz.) tomato sauce, preferably no-salt added
- 4 large garlic cloves, minced
- 1/4 cup chopped onions
- Salt & pepper to taste
- 1 cup cottage cheese, small or large curd
- 1 cup sour cream (can use reduced fat)
- 1/2 cup finely chopped fresh chives (or 4 tbsp. freeze-dried)
- 8 oz. wide or hearty noodles, cooked according to pkg. directions for al dente and drained
- 1 cup shredded sharp cheddar cheese

Preheat oven to 350° F. In a large skillet over medium-high heat, brown the beef. Drain off the excess grease. Add the tomato sauce, garlic, onion, salt & pepper. Bring to a boil; reduced heat to medium-low, cover & simmer about 5 minutes. Meanwhile, combine the cottage cheese, sour cream & chives in a large bowl. Gently fold in the cooked noodles. Season with more salt & pepper as desired. Grease a 13x9x2-inch baking dish with oil or cooking spray. Layer half of the noodle mixture in the bottom. Top with a layer of the meat mixture. Top with half of the cheddar cheese. Repeat the layers with the remaining noodles and beef. Cover tightly with greased or sprayed foil. Bake until hot & bubbly, about 35 minutes. Remove the foil and sprinkle with the remaining 1/2 cup cheddar cheese. Return to oven, uncovered, & bake until cheese melts, about 5 min. Let rest about 5 min. before serving.

Note: Casserole can be assembled early in the day, or even a day ahead & refrigerated. Bake at 400° for about 45 min. or until hot. Add the remaining cheese as directed in recipe.
