FRENCH FRIED SKUNK

2 Skunks, Skinned and Cleaned
1 Tbl. Salt
2 C. Bear Fat or Lard
3 C. Milk or Cream
1/2 tsp. Salt

Water to Cover
2 Egg Yolks, Beaten
1-1/2 C. Flour
2 Tbl. Baking Powder

Clean and wash the skunks, making sure that the scent glands are removed. Cut up into small serving pieces. Put a soup kettle on the stove and add the meat. Cover with cold water and bring to a boil over high heat. Lower the heat and boil until the meat is tender, about 40 minutes. Remove all the scum that rises to the surface. Make a batter by mixing together the egg yolks, milk, flour, salt and baking powder. Mix real good until the batter is about like cake batter. Heat the bear fat or lard in a deep fryer to about 360 degrees. Dip the pieces of skunk in the batter and then fry them in the deep fryer until golden brown. Drain well and serve.

Once Upon A Time....

There was an owner of a very successful ice cream shop. This owner built his business by having the creamiest ice cream around and by letting his customers know about them through extensive advertising. His business was so successful that he was able to send his son to a prestigious Ivy League school where his son was studying to receive his M.B.A.

One day the son came home for a break and promptly questioned his father "Dad, don't you know that there is a recession going on out there?" The father replied that his business was going very well, but the son persisted telling his father "Dad, you've got to cut back." So the father, figuring his son knew all about business, followed the son's advice. He promptly cut his advertising budget and then cut his cone & ice cream orders. Before long, business in fact did slow down. So the father replied to the son "You were right, son. Business is terrible. There is a recession going on out there."
