What Is A Town?

A town is a group of people.

It is a school.
It is a city government.
It is churches.
It is industry and jobs.
It is retail businesses.

They all have to work together.
All must have the support of the people or there is no town.

Give your local merchant a chance for your business and the first opportunity to make the sale.
The local retailer pays the highest percentage of local taxes. They are the ones contacted first for contributions to charitable projects. They provide jobs. Without their store you have no town.

GIVE THE LOCAL MERCHANT A FAIR SHAKE.

I Don't Need To Advertise

You're Right... There is a time **NOT** to advertise, when...

- 1. You have no competition.
- 2. You have all the business in town.
- 3. There are no new people moving into your area.
- 4. You want to keep your large inventory.
- 5. You have more business than you can handle.
- 6. The birth rate is zero.
- 7. You have more than enough friends that shop your business, keeping you far to busy.
- 8. You've netted your third million (after taxes).
- 9. You have no desire to work hard.
- 10. You would have to hire more people to handle the additional business advertising brings.

The time to start advertising is...

When you don't agree with all the above.

The place to start advertising is...

The one that has a combined circulation of 71,500 homes.
