READER'S Recipe

CORN DOGS

3/4 cup yellow cornmeal	10 Popsicle sticks
3/4 cup self-rising flour	10 hot dogs
1 large egg, lightly beaten	Oil for deepfat frying
2/3 cup 2% Milk	

In a large bowl, combine cornmeal, flour and egg. Stir in milk to make a thick batter; let stand 4 minutes. Insert sticks into hot dogs; dip into batter.

To help batter stick, make sure hot dogs are thoroughly dry before dipping. The batter won't adhere to any part that's wet.

As a substitute for self-rising flour, mix 1 tsp. baking powder and 1/4 tsp. salt in a measuring cup. Add all-purpose flour to measure 3/4 cup.

In an electric skillet or deep-fat fryer, heat oil to 375°. Fry dogs, a few at a time, until golden brown, 6-8 minutes, turning occasionally. Drain on paper towels.

STEVES ROADSIDE SERVICE is the Garage That Comes To You for auto repair. Since 1991. Retirement and a new baby changed things for a bit, but in order to avoid unneeded trips to town, call me for light to medium repairs or troubleshooting on site. At the time I retired, I was rated No. 1 in the East Penn Valley for service by Cartalk.com, something I'm still proud of. Call me, if you need me. 610-618-9702.

Take A Dip In A Tasty And Healthy Treat

Diet and health go hand in hand. Perhaps that's why there's a growing interest in foods that are purportedly curative. Some people even choose foods in the hopes that they can help to reduce symptoms of allergies and inflammation. As concerns about cognitive decline and diseases that attack the brain and memory grow, some people are seeking critical nutrients that can reduce their risk for Alzheimer's disease and other dementias. While there's no quick fix, consuming a wide variety of fresh, nutritiously diverse and not overly processed ingredients, like those found in this recipe for "Garden Vegetable Hummus" from "The Brain Boosting Diet" (Whitecap) by Norene Gilletz and Edward Wein, Ph.D.

GARDEN VEGETABLE HUMMUS
Makes 2-1/2 cups

- 1 19-ounce can chickpeas, drained and rinsed (preferably no-salt added)
- 3 to 4 cloves garlic
- 1/2 green bell pepper, cut into chunks
- 1/2 red bell pepper, cut into chunks
- 4 green onions (or 1 medium onion, cut into chunks)
- 1/4 cup chopped fresh basil or Italian parsley
- 2 tablespoons extra virgin olive oil
- 2 tablespoons lemon juice (preferably fresh)
- 2 to 3 tablespoons tahini
- Salt and freshly ground black pepper
- Chopped fresh parsley for garnish

1. Combine all ingredients except parsley in a food processor fitted with the steel blade. Process with quick on/off's to start, then let the motor run until the mixture is very smooth, about 2 minutes, scraping down the sides of the bowl as needed.
 2. Transfer the hummus to a serving bowl and sprinkle with parsley. Cover and chill for 1 to 2 hours before serving. (Hummus will thicken when refrigerated.)
- Note: The tahini in the hummus is a very nutrient-dense ingredient because it has a very low moisture content. It is an excellent source of mono- and polyunsaturated fats, which are good fats, as well as an excellent source of protein, magnesium, zinc, manganese fiber, and potassium. Chickpeas are legumes that are also high in protein and fiber.

What is A Town?

A town is a group of people.

- It is a school.
- It is a city government.
- It is churches.
- It is industry and jobs.
- It is retail businesses.

They all have to work together. All must have the support of the people or there is no town.

Give your local merchant a chance for your business and the first opportunity to make the sale. The local retailer pays the highest percentage of local taxes. They are the ones contacted first for contributions to charitable projects. They provide jobs. Without their store you have no town.

GIVE THE LOCAL MERCHANT A FAIR SHAKE
