What is A Town?

A town is a group of people.

- It is a school.
- It is a city government.
- It is churches.
- It is industry and jobs.
- It is retail businesses.

They all have to work together. All must have the support of the people or there is no town.

Give your local merchant a chance for your business and the first opportunity to make the sale. The local retailer pays the highest percentage of local taxes. They are the ones contacted first for contributions to charitable projects. They provide jobs.

Without their store, you have no town.

GIVE THE LOCAL MERCHANT A FAIR SHAKE.

READER'S
Recipe

BELGIAN ENDIVE AU GRATIN

- | | |
|---------------------------------|--|
| 8 heads Belgian endive, trimmed | 1/4 tsp. salt |
| 2 Tbsp. butter | 1/4 tsp. black pepper |
| 2 Tbsp. flour | 8 slices deli-style ham
(about 5 oz.) |
| 1 cup milk | 1/4 cup chopped fresh
parsley |
| 1 cup shredded Gruyère cheese | |
| 2 tsp. grated Parmesan cheese | |
| 1/4 tsp. nutmeg, or to taste | |

Bring a large pot of lightly salted water to a boil over medium-high heat. Add endive; cook, covered, until fork-tender, 8 to 10 minutes. Drain well, positioning heads upside down in a colander. Melt butter in a small saucepan over medium heat. Whisk in flour; cook, stirring, until golden brown. Gradually add milk, whisking constantly until thick and smooth. Stir in 3/4 cup Gruyère, the Parmesan, nutmeg, salt, and pepper. Cook gently over medium-low heat, stirring frequently, 10 minutes. Preheat oven broiler to low. Lightly grease a broiler-safe 2-qt. baking dish. Wrap each endive with a slice of ham; set in prepared dish. Pour cheese sauce over top. Sprinkle with remaining Gruyère and half the parsley. Broil 4 to 5 inches from heat until cheese is golden brown and sauce bubbles, 10 to 12 minutes. Garnish with remaining parsley.

What's the Difference?

There are four differences between Picture A and Picture B. Can you find them all?

Answers: 1. Missing stump right side 2. Black horse has white on chest 3. Brown horse has longer mane 4. No hole in tree on left

IMPRESS GUESTS WITH HOMEMADE BURGERS THIS FOURTH OF JULY

Backyard barbecues are a staple of summertime. In fact, many Fourth of July celebrations just wouldn't feel right without hamburgers and hot dogs cooking over an open flame in the backyard. Burgers may not qualify as fancy fare, but they're perfect for Independence Day celebrations. This year, party hosts can add a little something extra to their barbecues by whipping up some homemade hamburgers. This recipe for "Mushroom and Swiss Burgers with Bacon and Aioli" from "The Essential Kamado Grill Cookbook" (Rockridge Press) by Will Budiaman is sure to make your Fourth of July festivities more flavorful.

MUSHROOM AND SWISS BURGERS WITH BACON AND AIOLI

- | | |
|--|--|
| Serves 4.
8 bacon slices
8 ounces cremini mushrooms, sliced
Kosher salt
Freshly ground black pepper
2 pounds ground beef
4 Swiss cheese slices
4 kaiser rolls, split
1/2 cup aioli (see below) | cook it to 160 F, or well done.)
In the last minute of cooking, top the patties with the cheese to melt and place the rolls cut-side down on the grate to toast.
6. Spread the aioli on the buns and assemble the burgers, dividing the bacon and mushrooms between them. Serve immediately. |
|--|--|

- | | |
|--|---|
| 1. Prepare the grill for direct grilling at 500 F, then preheat a 10-inch cast iron skillet on the grate with the lid closed.
2. Put the bacon in the skillet. Close the lid and cook for 1 to 2 minutes or until browned and crispy around the edges. Transfer to a plate.
3. Add the mushrooms to the skillet. Close the lid and cook, stirring once, for 7 to 9 minutes or until browned. Transfer to a plate. Season with salt and pepper.
4. Meanwhile, in a large bowl, season the beef with pepper and 4 teaspoons of salt. Using your hands, mix until just incorporated; form into four 1-inch-thick patties with a slight dimple in the center.
5. Put the burgers on the grate. Close the lid and cook, flipping halfway through, for 8 to 10 minutes total for medium, or until an instant-read thermometer inserted into the center registers 135 F. (If using store-bought ground beef, always | AIOLI - Makes 1 1/4 cups.
1 large egg
1 cup vegetable oil
2 garlic cloves, peeled
1/2 teaspoon kosher salt

1. Put the egg in the bowl of a small food processor. Blend until beaten.
2. With the machine running, slowly stream in the oil through the feed tube until emulsified (the mixture thickens).
3. Blend in the garlic and salt.
4. Transfer to an airtight container, refrigerate, and use within 5 days.
Troubleshooting: Is your aioli just not coming together, staying thin and runny instead of thickening? You may be streaming in your oil too quickly. But don't throw out the batch. Instead, pour it into a small cup or bowl, wash and dry the bowl and blade of the food processor, and start again with a fresh egg. Use the previous batch as your "oil." |
