What Is Reiki?

Reiki, pronounced "ray kee" is a natural and holistic approach to healing and well-being that balances and harmonizes on all levels: mental, emotional, physical and spiritual. It is based on the principal that there is energy flowing in and through all living things, and that when this energy is low or impeded, stress, fatigue or illness are more likely to manifest. Reiki helps to restore one's natural state of health and well-being by balancing and harmonizing these energies. Reiki is based on the "Usui system of Natural Healing." It was founded by a Christian monk, Dr. Mikao Usui, who was the principle and teacher at a Christian seminary in Kyoto, Japan. Since the 1980s, Reiki has made its way into the U.S, Canada and eventually becom-

ing worldwide, gaining a wide acceptance as a natural and holistic approach to healing. Who benefits from a Reiki session? Everyone! Young and Old! A few examples of the benefits of Reiki are: Stress relief, relaxing during pregnancy, taking the edge off of withdrawal symptom from quitting smoking or alcohol and drugs. May also help to relieve nausea and pain for cancer patients and stimulate nerves for stroke patients. It can also help in processing the loss of a loved one whether it is from death or divorce. The list goes on and on.

A Reiki session is not a substitute for medical or psychological diagnosis and treatment. Reiki practitioners do not diagnose conditions, nor do they prescribe or perform medical treatment. It is a wonderful, loving, stress relieving and harmonizing addition that everyone of all ages can benefit from. UPCOMING Reiki Classes: Level 2 - May 16 & 17 (must have completed Level 1); Level 1 - July 18 & 19 Both classes are 10 am to 3 pm each day. Reservations required. Class sizes are capped at 5 students. Master Level is offered on an individual basis. For more information contact: Lori Kleinsmith, Reiki Master/Teacher & Certified Hypnotist, 610-823-4160 www.pinnaclehypnosis.com Located: Inner Peace and Wellness Center, 202 S.
