# Once Upon A Time....

There was an owner of a very successful hot dog stand. This owner built his business by having the best hot dogs around and by letting his customers know about them through extensive advertising. His business was so successful that he was able to send his son to a prestigious Ivy League school where his son was studying to receive his M.B.A.

One day the son came home for a break and promptly questioned his father “Dad, don’t you know that there is a recession going on out there?” The father replied that his business was going very well, but the son persisted telling his father “Dad, you’ve got to cut back.” So the father, figuring his son knew all about business, followed the son’s advice. He promptly cut his advertising budget and then cut his hot dog & bun orders. Before long, business in fact did slow down. So the father replied to the son “You were right, son. Business is terrible. There is a recession going on out there.”

## OLD-FASHIONED GIBLET STUFFING

1/2 cup butter	salt and pepper to taste
1 sack giblets from one turkey	1 teaspoon poultry seasoning
1 cup diced celery	8 cups dry bread cubes
1/2 cup chopped onion	1 cup chicken broth

Chop giblets and cook in butter in a medium skillet over medium heat, 2 minutes. Stir in celery and onion and cook until tender, but not brown. Remove from heat and stir in salt, pepper and poultry seasoning. Place bread crumbs in a large bowl. Toss with giblet mixture and enough broth to lightly moisten to bread. Use stuffing to stuff an 18 pound turkey, or bake separately, in a 2 quart dish, covered, 40 to 45 minutes in a 375 degree oven.

# What Is A Town?

A town is a group of people  
It is a school.  
It is a city government.  
It is churches.  
It is industry and jobs.  
It is retail businesses.

**They all have to work together.  
All must have the support of the people or there is no town.**

Give your local merchant a chance for your business and the first opportunity to make the sale.  
The local retailer pays the highest percentage of local taxes. They are the ones contacted first for contributions to charitable projects. They provide jobs. Without their store you have no town.

## GIVE THE LOCAL MERCHANT A FAIR SHAKE.
