Once Upon A Time....

There was an owner of a very successful hot dog stand. This owner built his business by having the best hot dogs around and by letting his customers know about them through extensive advertising. His business was so successful that he was able to send his son to a prestigious Ivy League school where his son was studying to receive his M.B.A.

One day the son came home for a break and promptly questioned his father "Dad, don't you know that there is a recession going on out there?" The father replied that his business was going very well, but the son persisted telling his father "Dad, you've got to cut back." So the father, figuring his son knew all about business, followed the son's advice. He promptly cut his advertising budget and then cut his hot dog & bun orders. Before long, business in fact did slow down. So the father replied to the son "You were right, son. Business is terrible. There is a recession going on out there."

SEASONAL EQUIPMENT

A couple were out Christmas Shopping. The shopping center was packed and as the wife looked every where, her husband was no where to be found. She was quite upset and worried because they had so much to do. She called him on her cell phone to see where he was. In a quiet voice he said, "do you remember the jewelers we went into about five years ago where you fell in love with that diamond necklace that we couldn't afford, and I told you that I would get it for you one day?" The wife choked up and started to cry and said, "Yes I do remember that shop". He replied, "well, I'm in the bar next door."!
